## V45 DOOR WINDOW SYSTEM

- Hinged/Fixed system for windows and doors.
- Option for **Tilt-and-Turn**, Swing door, Pivot and Hidden sash windows/doors.
- The system profile is developed according to the Euro groove channel structure. All type of hardware & accessories which are made suitable for this channel system can be used in the system.
- All Safety classes can be achieved with the suitable hardware & accessories due to Euro groove structure.
- Weathering is achieved through a sill drainage system and 3 levels of EPDM gaskets.
- Basic frame width 45mm and sash width 52 mm.
- It offers a wide range of products for creative and cost-effective solutions.
- Co-operates perfectly with Vantage 35 for sliding with fixed or openable sidelights/toplights.
